LSC Comments:

In response to a question by John, Mr. Graves said that he still is working with CPS and our website vendor to get them paid. This has been a very long process.

Esteven Gonzalez asked if there is a Remote learning plan in place for the Fall, if we need to do remote learning then. Mr. Graves replied that this is something being discussed. There is no plan at this point, but the goal would be to create a universal schedule with minimal overlaps.
