Preliminary information,

Youth sports camp. They want to use our turf area weekdays from 9 a.m to 3 p.m.for next week.(and possible following week).

They will maintain social distancing, following the guidance required by the City of Chicago and CPS.

They will not have access to the interior of our building (CPS won't allow access), and will provide a portable restroom for children.

They will pay a rate of \$45/hr to the school.

Proper paperwork filled out in advance.

Our alderman is OK with usage for this purpose, since consistent with what previously discussed with the community: a youth day camp during summer.
